Mike -

Joe Rivers sent an e-mail to Jay Abbott requesting that Legal Paris attempt to determine how many Zacarias Moussaouis can be found in France so that we can cover that base.

John Weess will get an official ruling on the time line from INSHQ, but said we should have no problem holding him for another 7-10 days from today (Mon, 8/27/01)...and quite possibly longer. We are also seeking the INSHQ ruling on the contingency plan (escorted deportation) to ensure it is a solid last resort.

Joe is also compiling the latest information regarding the 48 min. telephone call which occurred on 8/24 at 8:58 p.m. between Moussaoui and Ahmed Mohamoud, 612-339-3885. He will send that to you as soon as he has it to ensure that you will have everything we have found in the case.

Thanks,
Greg
